Percussion Camp / Auxiliary Camp Housing

The residence halls on campus will not be available for housing until Monday, August 10. Students who will be living on campus in the fall, can move into their room on the 10th. The Georgia Tech Athletic Association will provide students, living outside the greater Metro Atlanta area, with housing at the Hampton Inn. This hotel is on the edge of campus near the Student Center. If you are interested, we will find a roommate for you and make a reservation.

Storage will be available for any items you bring with you for your room in a residence hall. We will be in touch with more details about this in late July.

If you are in the guard or percussion sections and you qualify, need housing, and would like us to arrange housing at the Hampton Inn, return this form.
