Percussion Camp / Auxiliary Camp Housing

The residence halls on campus will not be available for housing until Monday, August 10. Students who will be living on campus in the fall, can move into their room on the 10th. The Georgia Tech Athletic Association will provide students, living outside the greater Metro Atlanta area, with housing at the Hampton Inn. This hotel is on the edge of campus near the Student Center. If you are interested, we will find a roommate for you and make a reservation.

Storage will be available for any items you bring with you for your room in a residence hall. We will be in touch with more details about this in late July.

If you are in the guard or percussion sections and you qualify, need housing, and would like us to arrange housing at the Hampton Inn, return this form.

Dear 2009 RAT Class,

We are Katie Horn and Kevin Lindsay, your RAT Dad and Mom, respectively. As a rookie in the Georgia Tech marching band this fall, you will be referred to as a RAT, which stands for 'Recruit at Tech'. It is a long-standing Tech tradition to refer to freshman as RATs, and in the band we use the term to distinguish rookies from vets.

There are many more Tech traditions, and even more Tech Band traditions that we, your parents, will teach you when band camp begins—this includes adopting a vet, which you will hear a lot the first few days of camp. In the mean time, please join our Facebook group, "I'm a RAT in the Georgia Tech Marching band 2009!"

As your RAT parents, we will be here to help, guide and support you on your long journey that we call football season. We have a very exciting home game schedule, as well as a full band trip to FSU and pep band trips to both Vanderbilt and Duke. Being part of the band gets you the best seats at home games as well as a lot of free trips! Later in the season, you'll get to experience a few volleyball and basketball pep-band gigs as well, which are also lots of fun. We're all very excited about Georgia Tech athletics this year, and look forward to introducing you all to our Gameday excitement and traditions.

Of course, we can't have all the fun without first completing band camp, which is surprisingly also fun. It's our favorite part of every year... seriously. The one downside to band camp is that it is August in Atlanta, so its going to be very hot! Please come prepared with lost of water, sunscreen, comfortable clothing that you don't mind getting tan-lines in the shape of, your instrument and everything that goes with it, and comfortable shoes (these are important for multiple reasons). Without all of these, band camp might be a little less fun for you—but, like we told you, we're your parents, and we're here to help! Please don't be afraid to ask us anything ever... which is why you should join our Facebook group.

Feel free to contact us with any questions you may have about what to expect from band in the fall, registering for classes, how to fit band in your schedule, cross-registration, the meaning of life... or anything else. Also, look for us at FASET! We hope you all have a great summer, and are just as excited about this matching season as we are!

Love,

Your parents
